Player Code of Conduct

As a Nether Swarthmore Baseball player, I have read, understood and agree to the following:

1. I will attend all practices and games I am able. I will notify my manager or coaches if I am unable to attend practices or games. I understand that unexcused absences may affect playing time in the next game.
2. I will be on time for all practices and games and I will always strive to improve. I understand that lateness may affect playing time.
3. I will help clean the playing fields, dugouts, batting cages, and all areas at NSB after each practice and game.
4. I will be responsible for my own equipment and valuables. If I am missing equipment or valuables, I will report it to the manager or coaches.
5. I will be properly equipped for all practices and games. This includes NSB uniforms, hat, cleats, and athletic supporter with cup, when appropriate.
6. I will treat coaches, players, umpires, and others with respect, and I will not criticize other players.
7. I will always act with sportsmanlike conduct. I understand that foul language and throwing or damaging equipment/property is not acceptable and will be dealt with accordingly.
8. I will always show respect for my opponents at all times.
9. I will accept all decisions of the umpires without argument.
10. I understand that while the coaching staff has every intention of being fair and respectful of a player's hard work, equal playing time is not guaranteed.
11. If I have a question, concern, or comment, I will speak with my manager or coaches first. If I am not comfortable speaking with my manager and coaches, I will ask my parent or guardian to speak with my manager or coaches.
12. I will understand that all sports are team games; teams that play and work as a team are more likely to win, and I will be aware that winning, competitive spirit and teamwork go together.
13. I will strive for excellence
